Hi Colin,

I don't know, but will find out.

Someone who should be looking at putting in a submission would be MDCA, and some of these amendments help adjust the financial imbalance that is currently in place.

Please find attach slides that were presented at the last Positive Ageing forum on September 5, which I attended .

The forum had a focus on the review of the Retirement Villages Act. Garry Thompson (Chair of the Nelson Tasman Retirement Village Residents Association) and John Collins (Executive Director of the Retirement Villages Association) talked about the Act from two different perspectives: the owners and the residents.

You can make a submission on the proposed changes any time up to 20 November 2023.

Regards
