Kia ora,

Thank you for your application to the Community Consultation funding 2023.

I am pleased to advise that the Mapua & Districts Community Association was supported and received \$3,900.

As you are not GST registered and have provided bank account details on your application, I will send this information to our finance team and \$3,900 will be deposited into this account.

For audit purposes, we require evidence that the funding was used on the project/s stated in your application. I have attached the accountability form to this email please return it along with receipts and any supporting documentation by 30 June 2024.

Should you have any questions please don't hesitate to get in contact.

Best wishes
