Lucky again! Money for the patch by the bridge at the bottom of the Dawson Track where it meets into Dominion Flats so we can put an order in for plants for next year. Helen

Kia ora Helen

Thank you for your application to the annual Community Grants Scheme which closed on 31 July 2023.

The Community Grants Subcommittee met to consider 185 applications, requesting a total of \$1,175,552.93.

I am pleased to inform you that the Mapua and District Community Association application was supported and \$2480 has been allocated towards purchasing plants for Dominion Flats Scenic Reserve.

As you are not GST registered and have provided bank account details on your application, I will send this information to our finance team and \$2480 will be deposited into this account.

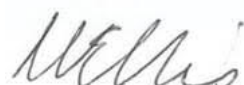

An accountability form will be available on the website at this link [Community grants - grants from rates | Tasman District Council](#). This form must be completed and returned with copies of receipts and/or supporting documents before 30 June 2024.

The Tasman District Council logo should be displayed whenever appropriate to acknowledge our support. A range of our logos can be downloaded using this link <https://www.tasman.govt.nz/my-council/about-us/media-centre/council-logos/>

Please note allocation from Council does not remove your responsibility to meet any compliance licensing or permissions regarding Council facilities and regulations.

Council would like to thank your organisation for its contribution to the community and wish you well with future projects.

Bravo, Helen!

I don't know if luck has much to do with it. I reckon your work to date has been recognised as being exemplary and worth building on.
