Hi Jim,

Thanks for you call this morning.

I checked and in fact, I did get the notice of Monday's meeting - sorry it was lost in a pile of unread ones.

I am happy for my points about senior housing lie till next meeting. I have a feeling that one of the attachments to my emails to Marion did not survive. It is below and I would like it distributed for next month's meeting.

Cheers

Colin

Hi Colin

Yes, this PDF was in the meeting correspondence. Could you please give me the source document for this pdf?

Thanks

jim
