Hi All,

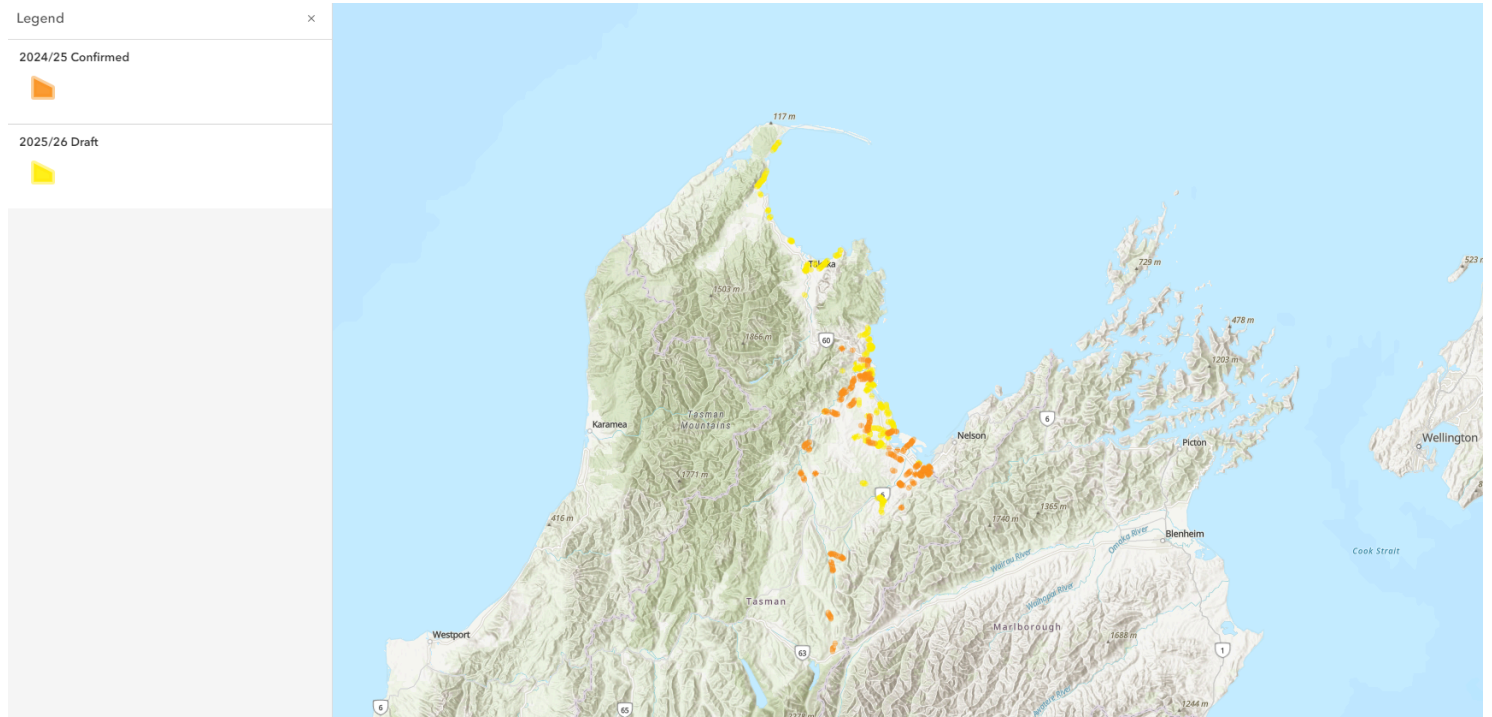

My name is Drew Hayes and I look after the Tasman Alliance. The Alliance resurfaces roads in the Tasman District, the latest updated interactive GIS map of road surface renewal sites for 2024/25 can be found here [Tasman Alliance Planned Major Treatments \(updated March 2024\)](#)

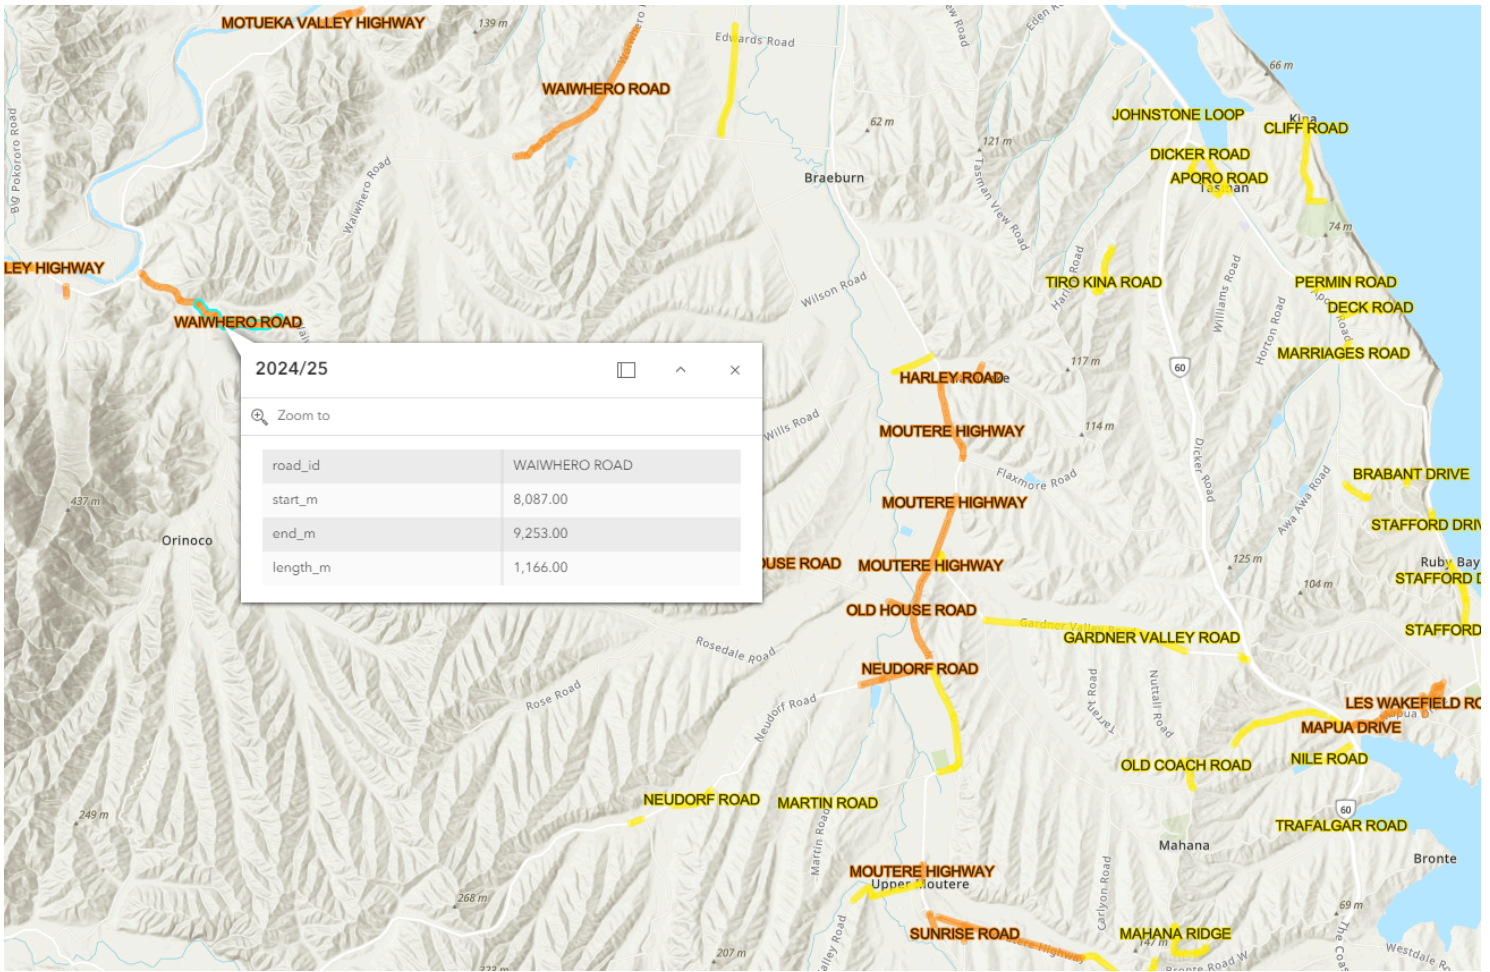

Draft 2025/26 sites are also visible, please see the key for colour coding.

Please note there may be some changes subject to budget and other factors.

Like last year, the map is interactive, and treatments can be selected to look at length, start, finish and once design is completed treatment type will also be visible.

If you have any questions, please let me know.

Thanks.
