Subject: Tasman District Residents - Council Feedback Opportunity

Morena Jim,

My name is Pearl and I am reaching out on behalf of Tasman District Council from Research First. I hope this email finds you well!

On behalf of the Tasman District Council, Research First are conducting a survey about **residents' satisfaction with Council services to help understand where improvements are needed.**

We are now at the end of our research period and are **looking to speak with residents between the ages of 18-44 years.**

If you are interested in taking part, or know someone who may be interested, one of our interviewers can reach out and run through the short survey with you, or network people you know who would be interested!

Rest assured, this information will be solely used for this research, and this research only. **Your participation is anonymous.**

Could you please reply to this email with your best contact phone number and a preferred time for one of our interviewers to get in touch?

Thank you, and we look forward to hearing from you.

Ngā mihi nui,

Pearl Massie
