---

DS

Hi all

The attachment has the agenda, the Minutes and the financial reports for October.

Note that the TDC Moutere Catchment Co-ordinator, Helen Forsey will address the meeting about the e-coli issuer in Tasman Valley Stream at the beginning of the meeting. We have sent an email about this to our database, so expect the meeting might be quite well attended to hear what Helen has to say.

To all members (new and existing) you are most welcome to attend any monthly committee meeting at 7.30pm upstairs at Tasman Church, Cnr Williams & Aporo Rds, every month except December.

Best regards, David Short  
TACA Secretary
