Hi there,

Just a friendly note to let you know that the next phase of consultation in the Māpua Masterplan is now underway.

To get you started, we've attached a copy of the draft consultation and supporting information documents, as well as the submission form to provide your feedback to us.

There's plenty of time to do make your voice heard – we look forward to hearing from you.

Take care,

## Make your mark on Māpua Masterplan consultation - draft now available, submissions open

We're entering an important phase of the Māpua Masterplan project with an opportunity to have your say on the future of your community.

The Māpua Masterplan draft document is out for public consultation from Friday 1 November until 5.00 pm on Sunday 16 February 2025.

Hearings and deliberations will follow the submission period, with a final decision on the makeup of the Masterplan expected by the end of April 2025.

There are several ways for you to provide your views:

- Online: Complete the submission form online and get more information at [shape.tasman.govt.nz/mapua-masterplan](https://shape.tasman.govt.nz/mapua-masterplan).
- Email: [mapuamasterplan@tasman.govt.nz](mailto:mapuamasterplan@tasman.govt.nz) for a submission form to be sent to you.

- In writing: Find consultation documents and make a submission at the Richmond or Motueka Service Centre, and the Māpua, Motueka or Richmond Libraries.

The Māpua Masterplan is a comprehensive plan that provides strategic direction on how Māpua will grow and develop over the next 30 years.

It is a one stop shop for the community to see how Māpua will grow and develop over time, rather than having several different council plans that are hard to piece together – an integrated plan approach to support growth and development while still maintaining what makes Māpua special.

We have received a massive amount of feedback and support from the Māpua community so far – we hope to continue in a similar vein as we move into the final stage of feedback.
