News from your community hall

Dear regular hall supporters,

As the year heads towards December 2024, I wanted to thank you for your ongoing support.

Its been a massive year of expenses for the hall including our Bill Marris ceiling, the deck, paint repairs, a new commercial fridge and bathroom repairs to name a few. On a positive note we have been blessed with some very generous donations and its with thanks we extend our gratitude to the MAG art class for their large donation last week.- you are AMAZING!

We have recently been donated a new computer, which has helped considerably to quicken the output of work in my office!

We are still working on funding for our car park that badly needs re-sealing along with our hall frontage and roof that need painting to maintain longevity.

Our hall is community owned, operated and funded and your regular patronage helps considerably to pay our monthly costs and keep us stay a vibrant hub in our community!

Hall news

You may of seen last week on TVNZ1 "**Good Sorts**", Sue and Danuta, our Tuesdays Sioux line dancing teachers, receiving recognition for their incredible work in raising money for Nelson Tasman Hospice.

Over the last 7 years they have raised over 90 thousand dollars!

Regular user- Notice Board

I have cleared the notice board by my office door for your use only!

Please feel free to use this notice board to promote your classes or correspond info with your regulars.

I hope this becomes a useful hall resource for you. Please also send me any poster or adverts for our social media pages, so I can support your activities.

Sound volume

I ask that if your class has music, to be mindful of your sound levels. As much as I foot tap in my office and dance my feet under my desk, when we have clients in the meeting room, or a yogi in relaxation pose, I'd like to request some mindfulness of how your sound is travelling. I'm not asking for quiet just more awareness around the volume levels and shared spaces. If your not sure pop out to my office and have foot tap with me! Closing the doors does help. As it gets warmer, I will drop the temperature on our aircon and know you are welcome to open the front doors out facing the street.

Security and lost property

Please ask class attendees to check the lost property box in front of my office. Items will be given to charity at the end of each month if they remain unclaimed.

Hall door and windows

Its a good time to remind you all to please double check all doors and windows are closed when departing your classes. You may not be aware that attendees have opened these and I am often locking the gallery doors that have been closed but not locked.

Events

Our pre-Xmas **Mapua Makers Market** is on **Sunday the 17th of November from 10-3pm.**

This coincides with the Mapua School garden trail, making this a wonderful full day of exploring both gardens and our artisan market stalls at the hall.

Dec and January

Please let me know any dates you wont be here over this period so I can invoice you accordingly and release those times in our booking calendar.

Thank you your morning smiles and regular contact. I really enjoy my job as you all make it a great place to be.

Thanks Wendy

My office hours are Mon-Fri 9-12pm.

If you have any queries please pop in and visit or you can email me on mapuabookings@gmail.com
